TO: Bidders

SUBJECT: Project Re-advertisement

DESCRIPTION: Blanket Contract for Tree and Limb Removal on Various Interstate, Primary and Secondary Roads in Mecklenburg County.

This letter is to inform you that the Department has decided to reject all bids received on the above contract opened on September 30, 2015. There were several items that the Department failed to adequately address in the contract proposal that upon careful review were felt to be necessary:

- The time required to respond to an Emergency Request will be changed from 7 days to 3 hours.
- A minimum crew size of 3 employees will be added.
- A pay item for Stump Grinding will be added.

The North Carolina Department of Transportation will re-advertise this project beginning on October 14, 2015. At that time, you may access a revised bid package at our NCDOT Division 10 website in the usual manner.

If there are any questions regarding this project, please contact me at (704) 983-4400.

Sincerely,
